Mr. Lawler,  
Thanks for confirming on-call status on April 21, 2011, and for forwarding the lab notes.

ADA Santos,

I have collated the discovery package for the case noted above and will be forwarding it to you as a PDF file in the e-mail immediately following this one. You will know that the file is safe to open because it is from me.

I would be the chemist to testify for you if necessary. I will consider myself to be on call April 21, 2011.

Best wishes,  
Mike Lawler  
Senior Chemist
